

To complement our high quality service, we provide an **Additional Services package** that includes the following features for your added care and comfort:

EXTENDED CARE

We are committed to providing comprehensive care that exceeds the industry standard so your clinical and personal needs are met. Our Extended Care comprises:

Personalised Care Coordination A Clinical Leader, who is a senior Registered Nurse, will be assigned as your single point of contact to coordinate your ongoing needs as part of our innovative Case Management Model to ensure you receive continuity of care. Eldercare's key to success is having our experienced teams working in partnership with you, your representative and your GP so that your needs are placed first.

Pastoral Care We have Chaplains based at all of our residential care facilities. Our Chaplains complement the care delivered by our clinical staff and will provide spiritual, emotional and practical support to you and your representative.
